

ATTENTION BUSINESSES!!!!

Dear Business Owners,

Red Mill Elementary School PTA is looking for help in sponsoring either one or both of two very important programs offered at our school: *Tuesday Folders* and our *Family Directory*. Both of these programs are a valuable part of our communication and they wouldn't be able to function without the support of our local businesses. The school's *Tuesday Folders* (previously FFO's) provide a weekly direct contact with all RME families with important school and PTA information and activities throughout the school year. If you choose to support this program, your business will be acknowledged on the back of the folders. The school's *Family Directory* is issued in November to every family FREE and provides direct contact for parents to stay in touch and keep informed of class work and events at Red Mill. If you choose to support this program, your business will be acknowledged in the directory.

If you would like to sponsor either or both of these programs, please fill out the information below and attach a business card, if possible. The cost for sponsoring is **\$30.00** for one program or **\$50.00** for both programs. Your donation is 100% tax deductible.

*******This is a sponsorship only. We will provide your business information in the Tuesday Folders and/or the Family Directory as a "Thank You" for helping to sponsor our schools' programs. A business card (or something we can scan with your business information) is the easiest way for us to display your information. But please note--we are unable to print personal messages, advertisements, coupons, or discounts of any kind! In addition, we are limited to the first 35 (max) sponsors for each program. We are sorry, but participation in last year's program does not ensure a guaranteed spot.**

If possible, please attach a business card or something we can scan.
